"Here let the press the people's eights maintain,

THE DAILY AND WARREY STATE SENTINES BY the PRENGnized organs of the Democracy of Indiana. As it having the past, the Services will confinue to advocate those ermelples and measures which are been calculated to advance the happiness, the prosperity and the freedom of the people from all unjust and unnecessary restraints. While cheerfully anstatining the Government as loyal eithers should, the Sawayes, will vigilantly watch all encreachments upon popular rights and the true principle of constitutional liberty. The freedom of speech and the freedom of the press are measury to preserve and senure free metitutions. When these are struck down, no matter what may be the apology therefor, from that day dates the Section of American liberty. In order to form a more perfect union, establish justice, moure domestic tranquility, provide for the congress defence, premote the good requires, all measures of the State and National Ad distrations. It will ever keep in view the distraction tween supporting the Government and the wend adv of those who represent the fravernment. And we appeal for the support of all who desire to maintain a pure Counting. tional discornancest, and continue for consulting and our passionity the glorious hardage of free institutions, was by the valor and framed by the windom and integrity of the men who pledged their fives, their fortunes and their sacred

edicit every homocrat, every friend of sound and connervactive National principles to aid them in that object. It is needless to brue the importance of the press as an agency principles and policy they maintain;
